Good afternoon Johnston Family and staff. This is Dr. DiLullo. I want to remind you that Thursday and Friday of this week are school holidays. There will be no online instruction or school work expected on those days. They have been provided so our students, faculty and staff can take a break and regenerate for next week. I also want to let you know that in the Governor's press conference today, she stated that she will make a decision on schools in the next couple of weeks. I know the members of the class of 2020 and their families are anxious to know what their celebrations will be like. Unfortunately we don't have the approval to go forward with plans that have already been in place however I want to assure you that our school committee, high school administration, faculty and staff and district administration are committed to celebrate the class of 2020 in the appropriate way once we are able to. I will keep you updated on our plans as we go forward. Enjoy the four day long weekend and thank you all for your hard work and commitment to making distance learning successful. Stay safe and healthy.

Johnston Public Schools would like to continue connecting with you via email. If you prefer to be removed from our list, please contact Johnston Public Schools directly.
